About This Course:

| | |
|---|---|
| 1. Course Description/ Purpose | <p>Contraindications to exercise are an important subject to master, requiring your knowledge of the basic standards to guide your actions with your clients. This is a basic course to lay a foundation on this topic.</p> <p>This highly interactive course will help you understand how to proactively address specific clients and conditions and/or respond effectively when a situation with your client arises. Additionally, we will review and practice speaking about these principles to guide your actions, and what to do and what not to do, to provide safety for your clients and take a step towards protecting you and your facility, when possible.</p> <p>The student's course materials are a blend of Chapter 17, from the Technical Manual and supplemental reading materials which is the transcription and de-construction of a conference call on this topic by Tom Lorren, Physical Therapist and owner of two SuperSlow Zones, and David Penn, Doctor of Physical Therapy and co-owner of a SuperSlow Zone.</p> <p>This course does not replace nor fulfill the requirement you have for further information and knowledge about a specific medical diagnosis and/or health condition. It is also not intended to replace your client seeing a physician and/or you talking with a client's physician.</p> |

Each student's permanent records for attending, and successful completion of the CEU course, or not, will be updated throughout the course by the Administrator as student's fulfill the CEU completion requirements stated in the CEU course description and enrollment form and course material.

At the completion of the CEU course, student's permanent records, their transcript, will be updated within five (5) business days as to a successful completion of the CEU course, or not. The Administrator will email each student: 1) CEU course information 2) the percentage of one CEU awarded 3) a CEU course completion certificate.

The above state information will become part of the student's permanent record. The student may request a copy of each CEU course completion information by contacting the Registrar registrar@superslowzone.com. Allow up to three business days for a response from the Registrar.

If a student fails to fulfill all of the standards required for a successful CEU completion, the email to the student will state: 1) the required CEU completion standards and 2) which of the standards the student failed to fulfill.

Issuance of Student' Transcripts:

The student can request a copy of their transcript with a signed letter requesting this by faxing Registrar at (866) 687-7585.

Please state your name and the dates or date ranges for the requested transcript. Allow up to three business days for a response from the Registrar. The student's transcript will only be issued to the student of record.

M. CEU Course Instructor's Effective Feedback To Students

CEU course instructors will give effective feedback to each student to the standards stated in the course material. One objective of our CEU course design is to have highly interactive courses in with student-to-student interactions such as Teach Back presentations, Study Buddy Session and Debrief, and student-to-instructor engagement through 'hot lightening round', randomly calling on students with questions, feedback, etc. This design facilitates the learner achieving their learning outcomes and enables the instructor do their part in assisting the learner in achieving their learning outcomes. Effective feedback, based on the standards stated in each CEU course material, from student-to-student and from instructor-to-student, is essential for assisting the students in achieving their learning outcomes.
